**LONDON, NOVEMBER 16TH** - The M&A Advisor is pleased to announce the winners of the European Emerging Leaders Awards.

The M&A Advisor, renowned globally for its recognition and presentation of leading M&A, financing and turnaround professionals, created this recognition awards program to promote professional development and the advancement of our industry.

At a formal ceremony in London, the leading young finance industry professionals will join an established community of over 500 influential dealmakers in North America.

“In 2010, we initiated the Emerging Leaders Awards in the United States to recognize high achieving young women and men in the financial services industries of M&A, financing and restructuring. The European Emerging Leaders Awards winners were chosen from amongst their peers to join an influential global community of young leaders. Over the next two years, the leadership group will grow to include finance, corporate, government, media and academic leaders from Asia, Latin America, The Middle East, India and Africa.”, said David Fergusson, President and Co-CEO of The M&A Advisor.

The European Emerging Leaders Awards Winners have been selected from a pool of prominent nominees for their notable accomplishments. Evaluation and selection of the winners was completed by an independent judging panel.

Added Fergusson, “It is our belief that the Emerging Leader Award winners will continue to have a significant effect on the advancement of our industry. Through the support of business, philanthropic, academic and personal development experts, we are establishing a connected “leadership community” with the mandate to empower these successful young professionals to improve the life experiences of others through their career.”

On Thursday, January 14th, The M&A Advisor will present the awards to the winners and celebrate their achievements during an exclusive black tie Gala at the Lansdowne Club in Mayfair, London.
