WINNERS ANNOUNCED FOR THE EMEA CORPORATE DEVELOPMENT AWARDS

*Top Transactions, Firms, Teams and Professionals Honoured 22 February at
the Lansdowne Club*

London, 24 February, 2017 – The M&A Advisor announced the winners of the EMEA Corporate Development Awards presented by S&P Global Market Intelligence at a Black Tie Gala to a lively, sold-out crowd at The Lansdowne Club on Wednesday, 22 February.

The EMEA Corporate Development Awards Gala, hosted by CNBC Anchor Tania Bryer, recognised and celebrated the leading corporations, transactions, teams and professionals - including the financial, legal and consulting team members, that played a key role in successful corporate development across the region in 2016.

An independent judging panel of industry experts evaluated nominations representing over 250 individual companies from across Africa, Europe and The Middle East - a wide and varied group with deals valued at £10 million to tens of billions.

“Since the inception of the M&A Advisor Awards in 2002, we have been recognising the leading dealmakers, firms and transactions. And each year we celebrate the creativity, perseverance and ingenuity of our industry’s professionals”, says David Fergusson, President and Co-Chief Executive Officer of The M&A Advisor. It is our great pleasure to introduce the inaugural Corporate Development Awards, presented by S&P Global Market Intelligence, that have recognised and celebrated the leading corporations, transactions, teams and professionals who play a key role in successful corporate growth strategies.”

Earlier in the day, The M&A Advisor hosted an exclusive invitation-only Think Tank Corporate Growth Forum on the CNBC Europe Studio floor with many of the award winning c-suite executives, M&A dealmakers, and finance professionals participating. This assembly provided a unique opportunity for the professionals guiding and executing business growth strategies to engage with their peers on some of the greatest challenges and opportunities facing companies in this market today including BREXIT, Blockchain and Cybersecurity.
